AAU, Abu Dhabi Campus, Organizes a Blood Donation Campaign

Al Ain University of Science and Technology, Abu Dhabi Campus, organized a blood donation campaign on Tuesday of19/04/2011 in collaboration with the Blood Transfusion Services Center in Abu Dhabi.

Students, faculty members, and staff eagerly participated in this campaign in response to the call of humanitarian duty. AU has organized this campaign as part of the belief in the interaction with the community. The Deanship of Student Affairs oversaw the event in collaboration with the staff in the AU clinic.
