AAU Chancellor meets the Director General of the Emirates Center for Strategic Studies and Research

H.E. Dr. Jamal Al Suwaidi –Director General of the Emirates Center for Strategic Studies and Research, received Dr. Noor El Deen Atatreh –AAU Chancellor- at his office in a friendly fruitful meeting to discuss the cooperation aspects between the two sides.

H.E. Dr. Al Suwaidi expressed his delight in this meeting, commented: “Several topics were discussed at the meeting, including most notably the role of Al Ain University of Science and Technology in the development process of the UAE and in building generations of graduates who will contribute to the progress of the country”.

For his part, Dr. Atatreh praised the role of the Emirates Center for Strategic Studies and

Research in conducting studies and research on different topics relevant to the UAE society and providing community services through scientific activities related to the research agenda of the Center. Stressing on the keenness of the Al Ain University of Science and Technology to strength the scientific research.

At the end of the meeting, Dr. Atatreh stressed on the importance of this cooperation and provided special thanks to H.E Dr. Jamal Al Suwaidi for his kind reception.
