## **AAU President honored student Baraa Turkmany for her excellency in the Achievement Exam**

AAU President, Prof. Ghaleb El Refae honored the student Baraa Turkmany from the College of Pharmacy for her excellence in the Achievement Exam.

This comes within the framework of the support provided by the university to the students, and to encourage them to excel in their field. For his part, the AAU President, said that the university is proud of graduating distinguished students who are able to break into the job market strongly, stressing on that Al Ain University is always keen to embrace all the students, support and encourage them all way through.
