## **AAU Students –AD campus- visits Tawdheef exhibition 2016**

Anxious to qualifying students for the job market, the Deanship of Student Affairs (AD Campus), organized a student visit to the Tawdheef Exhibition at the Abu Dhabi National Exhibition Centre, on Wednesday, 03 Feb 2016.

The visit included multi tours and free lectures about job access, self-development, and some other important skills. The students met a group of professionals and expert mentors who provided several tips to help them to gain the confidence in succeeding in the workplace of all sectors and in the course of work, and the most important means and specific methods to get a good business opportunity, including building an resume in a professional manner, as well as how to, successfully, overcome common mistakes in personal interview successfully.

They also visited the most important and best companies from various sectors such as the General Directorate of Abu Dhabi Police, NESAs, Higher Technical Colleges, Abu Dhabi -New

York University, ADNOC National Distribution, DUCAB, and MASDAR.

This visit comes in the belief of Al Ain University of Science and Technology in coordination with the student's needs to rehabilitate them before being exposed to the real life of the job market by teaching them the acquisition of new skills and to give advice that would help them to get a job easier.
