## A Delegation from AmidEAST visits AAU

A delegation from the AmidEAST which is one of the most prominent educational and training organizations in the Middle East has visited Al Ain University of Science and Technology in Abu Dhabi Campus. The delegation was greeted by Dr. Amer Qasem, AAU Vice President, and Mr. Amjad Owais, and the English Language Center Supervisor.

Both sides discussed the cooperation aspects in ETS courses and the TOEFL exam.

The Vice President stressed on the keenness of AAU to improve its relations with other institutions to achieve its vision in the community engagement field and reflect positively on academics and students.
