## **AAU provides scholarships up to 40% in the beginning of the academic year 2017-2018**

Al Ain University of Science and Technology opened the admission and registration for the first semester of the academic year (2017/2018) in its two branches (Abu Dhabi and Al Ain) in the colleges of Engineering, Pharmacy, Law, Education, Humanities and Social Sciences, Business and Communication and Media.

Dr. Noor El Deen Atatreh –AAU Chancellor- said that the admission is open to enroll in 21 bachelor programs and 5 master programs, in addition to the Professional Diploma Programs in Teaching, where all the university's programs are accredited by the Ministry of Education – Higher Education Affairs. He added that the most prominent feature of AAU's programs is obtaining international accreditations from prestigious educational institutions, such as: the College of Engineering holds an international accreditation from the Accreditation Board for

Engineering and Technology (ABET) in the United States, the College of Pharmacy holds an international certification from the Accrediting Council for Education in Pharmacy (ACPE), in addition to the College of Law which hold an international accreditation from the Council for Evaluation, Research and Higher Education (HCERES). Dr. Atatreh mentioned that the university is always keenness to support students and encourage them by providing different scholarships up to 40%.

It is worth to mention that, Al Ain University of Science and Technology is deliberate in providing professional academic staff with high efficiency, advanced educational facilities of classrooms and laboratories equipped with the highest quality, a huge library, in addition to recreational facilities such as health club, gym and the theater, which allows students to practice various activities. All of this would provide a healthy creative learning environment until the students graduate with the best scientific knowledge and practical experience that qualifies them to be confident in the paths of practical and professional life.
