## AAU Volunteer Team spreads goodness coinciding with Eid Al-Fitr

Coinciding with Eid Al Fitr and within the Goodness Year initiatives 2017, the Deanship of Student Affairs and the AAU Volunteers Team at Al Ain University of Science and Technology (Abu Dhabi Campus) organized a group of visits to the patients in Mediclinic Hospital and Burjeel Hospital.

This initiative aims to in order to relieve patients, congratulate them on Eid's occasion, bring joy to their hearts and wish them a speedy recovery, in addition to distributing gifts to patients.

The management and staffs in both hospitals praised the efforts of Al Ain University to organize this initiative and its sleekness to achieve the humanitarian and social aspects, wishing the University and all its employees further progress and success.
