## **Nahyan Bin Mubarak shows on the latest technologies of AAU at “NAJAH”**

HE Sheikh Nahyan Bin Mubarak Al Nahyan, Minister of State for Tolerance, visited Al Ain University of Science and Technology booth and shows on the latest smart services within its participation at “Najah Abu Dhabi” Exhibition at Abu Dhabi National Exhibition Center held in between 25-27 Oct 2017.

The Services launched include the E-portal service (Edugate), Online Registration and the Mobile Application which aims to facilitate getting accurate information to students, academicians and visitors of the portal.

Launching these smart services comes within the framework of improving the AAU’s services offered to students and facilitating procedures, as well as improving their services in line with wise leadership's attitudes towards the digital services.

Dr. Noor El Deen Atatreh, AAU Chancellor, said that, launching this smart services comes in line with the technological development of the Government of the United Arab Emirates, Keeping pace with the smart digital system in the country, and it is an effective and direct way to

communicate with students and the external audience easily.

It is worth to mention that, Al Ain University of Science and Technology is anxious to participate in “NAJAH” exhibition annually to achieve continuous communication with the students.
