AAU concludes the academic year 2017-2018 with honoring students

Al Ain University of Science and Technology concluded the academic year 2017-2018 with a pleasant recreational atmosphere during the event organized by the Deanship of Student Affairs at Al Ain campus, which included honoring the students who participated actively in the extracurricular activities organized by the Deanship during 2017-2018.

The event was attended by Dr. Noor El Deen Atatreh, AAU Chancellor, Prof. Ghaleb El Refae, AAU President and Dr. Ibtehal Aburezeq, Dean of Student Affairs, where they also honored the students. The event was also attended by the academic members, administrative staffs and AAU's students.

The students received valuable prizes from Pepsi, as well as, other valuable prizes. The event

also included various entertainment competitions.
