AAU honored by “Ramadan Aman” Campaign

Sheikh Abdul Aziz bin Ali Al Nuaimi, Executive Chairman of Al Ihsan Charity Association, honored Prof. Ghaleb El Refae , AAU President, as a representative of Al Ain University of Science and Technology as one of the sponsors of Ramadan Aman the campaign 7, which aims to reduce traffic accidents and over speed through distributing meals to the drivers.

Prof. El Refae had a look on the distributions, stressing the importance of a Ramadan Aman campaign in activating charitable work, spreading the culture of volunteer work, and enhancing social and humanitarian communication with different groups of society. He added, Al Ain University of Science and technology supported the campaign because of its deep belief in the need to interact with the community, and contribute in promoting of a culture of volunteerism and the preservation of the security and safety of all.

This campaign came this year in line with the year of Zayed, by consolidating the initiatives that

correspond to his vision and values and principles of giving.
