Al Ain University Library Welcomes New Faculty Members

Khalifa Library at AAU recently organized a Library Orientation for new faculty members. The event brought together participants from different colleges, creating an opportunity to introduce the library as a key partner in teaching, learning, and research.

During the session, faculty were introduced to the library's vision, mission, objectives, and policies, as well as its wide range of facilities, digital resources, and academic services. The orientation concluded with a guided library tour, giving attendees a closer look at the resources and spaces available to support their work.
