Students Shine in Table Tennis Competition

The Deanship of Student Affairs organized a table tennis championship for male and female students, as part of its ongoing sports activities aimed at fostering positive competition and encouraging students to engage in athletic activities alongside their academic studies.

The tournament witnessed a wide participation of students who demonstrated remarkable skill and enthusiasm, with matches held in a spirited and competitive atmosphere reflecting high sportsmanship. At the conclusion of the event, the Deanship of Student Affairs honored the winners and awarded trophies to the top three positions in recognition of their outstanding performance.

The deanship also announced the selection of six students from the participants to form the university's table tennis team, which will represent the university in upcoming university-level competitions across the UAE.

This tournament comes as part of a series of events organized by the Deanship of Student

Affairs to discover athletic talents among students, develop their skills, and enhance communication and teamwork in an inclusive and motivating university environment.
