A Virtual Event Promotes National Identity and Family Values

As part of efforts to promote the values of national identity and strengthen students' sense of belonging, and within the framework of the National Identity Pioneers Program, the Deanship of Student Affairs atAbu Dhabi Campus, in collaboration with Dar Al Olum Private School, organized a virtual event titled "My Family and My Identity," in alignment with the UAE's Year of the Family initiative.

The event aimed to introduce students to the concept ofnational identity and its importance, while highlighting the role of the family in nurturing and reinforcing these values within society. It featured an awareness session that included information about national identity, as well as an overview of initiatives by Sandooq Al Watanand the objectives of theYear of the Family.

The event witnessed strong engagement from participating students, who showed clear interest in the content and actively took part in the accompanying activities and competitions. It also contributed to enhancing their awareness of the importance of national identity and the role of the family in instilling it, reflecting the success of the event in achieving its educational and

awareness goals.
